

# Welding Merit Badge

Brought to you by:

GENERAL AIR

## Calling all scouts...

Come experience hands-on welding and earn a Welding Merit Badge. Read below for information regarding registration and class materials so that you can "Be Prepared". It is imperative that you complete the required reading ahead of time so that you can get the most from this experience.

Parents are welcome! We are still looking for volunteers to assist with this training program. Please contact Steve Bruce to get more information about joining this team!

### Registration

Email [steve\\_bruce@generalair.com](mailto:steve_bruce@generalair.com)  
class fee is \$10.00
